### Essays on the tempest caliban

In your answer:

- Look closely at the language, imagery and tone of the passage.
- Consider not only the passage's implications for the relationship between Prospero and Caliban.

Shakespeare introduces Caliban through Prospero's speech. Prospero believes he is being deceived by the island. Caliban is the only native of the island. Prospero is a duke who has been exiled from Milan. He has a daughter, Miranda, who is in love with Ferdinand, the son of the Duke of Milan. Prospero has a magic book that he uses to control the island. He has a spirit, Ariel, who helps him. Caliban is a deformed and ugly creature. He is the son of a witch and a devil. He is the only native of the island. Prospero is a duke who has been exiled from Milan. He has a daughter, Miranda, who is in love with Ferdinand, the son of the Duke of Milan. Prospero has a magic book that he uses to control the island. He has a spirit, Ariel, who helps him. Caliban is a deformed and ugly creature. He is the son of a witch and a devil. He is the only native of the island.

Prospero directly insults Caliban with a series of dehumanizing terms. The use of dehumanizing terms like "demon" and "devil" is a common way for Shakespeare to show his contempt for his characters. Caliban is a deformed and ugly creature. He is the son of a witch and a devil. He is the only native of the island. Prospero is a duke who has been exiled from Milan. He has a daughter, Miranda, who is in love with Ferdinand, the son of the Duke of Milan. Prospero has a magic book that he uses to control the island. He has a spirit, Ariel, who helps him.
