Mr. Stuart R. Robinson
Director of Personnel
EPG Corporation
323 Arden Street
Pine View, NC 23402

Dear Mr. Robinson:

Thank you for the opportunity to interview with you on Friday, October 17th at the University of Virginia's University Career Services. The management trainee position at EPG Corporation we discussed is of great interest to me and I am confident I could fulfill the exciting responsibilities required of the person in this position.

I was particularly impressed to learn more about the various phases of the management training program. As we discussed, I have had numerous leadership positions at the University of Virginia which have prepared me to meet the supervisory challenges and demands your program presents. In addition, my double major in history and English has required extensive writing and public speaking assignments which would also allow me to succeed as a manager at EPG Corporation.

Thank you again for your time and consideration. I look forward to learning more about the next step in the application process and to possibly working for your organization in the near future.

Sincerely,

Lisa M. Snow
